William B Eerdmans Publishing Co. Paperback. Book Condition: new. BRAND NEW, He Became Poor: The Poverty of Christ and Aquinas's Economic Teachings, Christopher A. Franks, The only comprehensive theological treatment of Aquinas and economic theory. / Drawing on the views of Thomas Aquinas, this book challenges the modern economic tendency toward the "proprietary self" and calls for a renewed and timely appreciation of the virtues of trusting receptivity and humble awareness of our membership in a larger order. Christopher Franks reveals how the summons to become poor bestows a new intelligibility on formerly obscure economic teachings. In the course of his discussion Franks juxtaposes Aquinas with Aristotle, John Locke, and Alasdair MacIntyre. / He Became Poor not only makes a provocative case for taking Aquinas's thoughts on economics more seriously, but also illustrates how the very market conditions of the modern world cloud any attempt to fully understand Aquinas. Franks proffers a convincing argument that questioning market-formed assumptions can actually help us recover the evangelical character of Aquinas's ethics. / Drawing deeply on the views of Thomas Aquinas, He Became Poor challenges the modern economic tendency toward the proprietary self and calls for a renewed appreciation of the virtues of trusting receptivity and humble awareness of our membership in a larger benevolent order. Christopher Franks reveals how the summons to become poor bestows a new intelligibility on formerly obscure economic teachings. In the course of his discussion Franks juxtaposes Aquinas with Aristotle, John Locke, and Alasdair MacIntyre. / This book makes a provocative case for taking Aquinass thoughts on economics more seriously and illustrates how the very market conditions of the modern world cloud any attempt to fully understand Aquinas. Franks offers a convincing argument that questioning market-formed assumptions can actually help us recover the evangelical character of Aquinass ethics...
