

The Thinking Moms Revolution: Autism Beyond the Spectrum: Inspiring True Stories from Parents Fighting to Rescue Their Children (Hardback)

By Helen Conroy

Skyhorse Publishing, United States, 2013. Hardback. Book Condition: New. 231 x 157 mm. Language: English . Brand New Book. The Thinking Moms Revolution (TMR) is a group of twentythree moms (and one awesome dad) from Montana to Malaysia who all have children with developmental disabilities. Initially collaborating online about therapies, biomedical intervention, alternative medicine, special diets, and doctors on the cutting edge of approaches to an array of chronic and developmental disabilities, such as autism, sensory processing disorders, food allergies, ADHD, asthma, and seizures, they ve come together into something far more substantial. Suspecting that some of the main causes may be overused medicines, vaccinations, environmental toxins, and processed foods, they began a mission to help reverse the effects. In the process, they became a tight-knit family dedicated to helping their kids shed their diagnoses. Here collected by Helen Conroy and Lisa Joyce Goes are the stories of the moms and their fights to recover their kids from autism and related disorders. These parents share how they discovered each other, what they learned from each other, and why it s important to have close friends who understand what it s like to parent a child with special needs. You ll...
