

Understanding Human Rights: Manual on Human Rights Education (3rd Revised edition)

Filesize: 6.27 MB

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

(Mr. Grant Stanton PhD)

UNDERSTANDING HUMAN RIGHTS: MANUAL ON HUMAN RIGHTS EDUCATION (3RD REVISED EDITION)

Intersentia Ltd. Paperback. Book Condition: new. BRAND NEW, Understanding Human Rights: Manual on Human Rights Education (3rd Revised edition), Wolfgang Benedek, This Manual has been elaborated by the European Training and Research Centre for Human Rights and Democracy (ETC) in Graz, originally for the Human Security Network (HSN) at the initiative of the Austrian Ministry for Foreign Affairs. Its objective is to assist human rights education efforts worldwide. Its thematic modules on selected human rights issues cover topics like the prohibition of torture and the freedom from poverty, human rights of women and of the child, human rights in armed conflict, freedom of expression and democracy. New to the thoroughly updated 3rd English edition are chapters reflecting current trends in human rights, including new modules on privacy (including challenges posed by Internet use), minority rights and the right to asylum. Translations of the Manual's earlier editions already exist in 15 languages, among them all the official United Nations languages. Most of the language versions can be found on the website of the ETC at www.manual.etc-graz.at, which also contains a learning platform with additional resources that are constantly updated. The manual has become a basic text for human rights education and training in different countries, on different levels and for different audiences, from university lectures in China to NGO training in Mali to police training in Kosovo.
