## INVESTING IN ENERGY: CREATING A NEW INVESTMENT STRATEGY TO MAXIMIZE YOUR PORTFOLIOS RETURN

DOWNLOAD

Palgrave MacMillan. Hardcover. Book Condition: New. Hardcover. 340 pages. We rely on energy for everything we do, from putting gas in our cars to heating our homes. With energy products at the forefront of so many different industries, the global economy would not be able to function without them. As such, the energy sector has more trading volume than any other commodity. Investment strategy expert Michael C. Thomsett sets forth a range of topics representing the fundamentals as well as the technical features of energy investing, from financial and market factors to the study of price movement. Broken into four essential sections, Investing in Energy guides the reader through the basics to get started, how to trade in energy, specific trading and investing strategies, and ideas for focusing your analysis and understanding of this market. This is a book for everyone from traders just learning this market to the sophisticated investor that is already spending money in this investment sector. It will provide you with the tools and range of knowledge you need to make an informed investment decision. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
