Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE MUSHROOM HUNTERS: ON THE TRAIL OF AN UNDERGROUND AMERICA

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 173 x 140 mm. Language: English . Brand New. In the dark corners of America s forests grow culinary treasures. Chefs pay top dollar to showcase these elusive and beguiling ingredients on their menus. Whether dressing up a filet mignon with smoky morels or shaving luxurious white truffles over pasta, the most elegant restaurants across the country now feature an abundance of wild mushrooms. The mushroom hunters, by contrast, are a rough lot. They live in the wilderness and move with the seasons. Motivated by Gold Rush desires, they haul improbable quantities of fungi from the woods for cash. Langdon Cook embeds himself in this shadowy subculture, reporting from both rural fringes and big-city eateries with the flair of a novelist, uncovering along the way what might be the last gasp of frontier-style capitalism. Meet Doug, an ex-logger and crabber now an itinerant mushroom picker trying to pay his bills and stay out of trouble; Jeremy, a former cook turned wild-food entrepreneur, crisscrossing the continent to build a business amid cutthroat competition; their friend Matt, an up-and-coming chef whose kitchen alchemy is turning heads; and the woman who inspires them all. Rich with the science and lore of edible fungi from seductive chanterelles to exotic porcini The Mushroom Hunters is equal parts gonzo travelogue and culinary history lesson, a rollicking, character-driven tour through a world that is by turns secretive, dangerous, and tragically American.
