Bloodaxe Books Ltd. Paperback. Book Condition: new. BRAND NEW, Alternative Values: Poems & Paintings, Frieda Hughes, Frieda Hughes's poems and paintings reflect her early years in Devon and Yorkshire, and her later experiences when living in London, Australia, and most recently, Wales. From childhood, writing and painting have been the two driving forces behind her commitment to life. They first came together in her illustration of two of her seven published children's books, and through her cartoons - she was cartoonist for the West Australian Magazine when living in Western Australia in the early 90s. In 2002 Frieda Hughes received a NESTA Award in order to undertake her work on Forty-five, a summary of her life to that age in 45 poems and a 225 foot long, 4 foot high, 45 panel abstract depicting the emotional landscape of her life. This was the beginning of a growing collaboration between her poetry and her artwork, which is now further realised in Alternative Values, which includes 40 full-colour plates of both her abstract and figurative work. The paintings will be shown at a London gallery where the book will be launched in October 2015.
