Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Don Quixote in Finance: Or Has Canada a Medici?, A Tale of Treasons, Stratagems and Spoils In the minds of all men the individual holds a duty to his fellows: in fact, the State holds obligations to the individual. And, undoubtedly, justice for the individual is in the self-interests of the many. Modern cant promulgates the philosophy that questions of State only lie in the general interest; when one man is wronged does not his neighbour ask: May I not be next? Should the doctrine obtain that the State holds no duty to the individual, whither shall we drift? - for the State is really the individual and his brother! The pages that go into this pamphlet tell the story of one who - according to his lights - has tried to hew to line. The astounding lesson to be drawn from the tale is that, not only are the hearts of our real rulers, our money-barons, impregnable against the call of justice, but that the law, always precarious, is much more elusive than one bred to the spirit of British moral sense, was wont to believe. By our processes in the courts trained minds are necessary to one s guidance; indeed it has been said that the man who takes his own case before a judge has a fool for a client. If then one is compelled, in the pursuit of justice, to place his fortunes and his very soul in the keeping of another, and if justice is the very basis of civilization, then may we fear for our institutions when we feel that one s counsel may be subjected to intimidation or...
