

Los Angeles, or American Pharaohs

Filesize: 7.92 MB

Reviews

This composed book is excellent. This really is for all who statte that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.

(Cheyanne Barrows)

LOS ANGELES, OR AMERICAN PHARAOHS

DOWNLOAD

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Robert, a 30-something independent filmmaker in Los Angeles, is hearing voices in his head. Alice Hershlug, a Jewish movie star who recently won the Academy Award, is slowly torturing him via The Grapevine, a kind of mental telephone. Hoovey Weinerschnitzel, a movie producer in New York City, is in love with his plastic telephone and blase about his recent rape and imprisonment in his office closet of one of his former employees. The novel appears to be an Anti-Semitic rant, written by a lonely Jew who has apparently been accused of being a child molester. It cuts rapidly back and forth between the narrator s vitriolic prose poems which accuse American Jews and other plutocrats of ruining the country, the trials and tribulations of Robert as he navigates Hollywood and the mental health system, and the machinations of several Hollywood insiders as they stab each other in the back to rise to the top. The island of Manhattan turns into a sailing ship and blasts through the strait of Gibraltar on the way to visit Jerusalem, a psychiatric treatment facility gets possessed by some kind of evil demon named Cheeto, and Hoovey Weinerschnitzel abandons his religion to found an evil cult. Part political diatribe, part philosophical essay, part picaresque, the novel explores the implications of the new post-2008 U.S. economy on the human psyche, relations between Jew and Gentile, between American and Israeli Jews, between thought and reality, and tries to figure out where the hell America can go next.
