Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The world can be a bit negative sometimes, which is kind of like saying rain is wet. He believes that normal people like you (without diamond-bejeweled muscle shirts) can still be happy with a few changes to your attitude, your beliefs and a short training routine to build up your joy. Cohen has laid out 35 exercises that you can use to create a happiness workout plan to help you in the following areas: \* Keeping your negative thoughts at bay and learning to control your emotions \* Finding things to like about the job you hate and how to quit it to start a job you love \* Loving the one you're with and strengthening your family's happiest memories \* Learning more about yourself and what you're good at without a master's degree \* Embracing silence in a world overrun by digital doohickeys \* Finding time and energy to embrace your creative side and live your dreams \* Making your beliefs inclusive and turning to spirituality for health and wealth Whether you're just graduating college or headed into retirement age, The Post-College Guide to Happiness will help you turn that pessimism upside down and put you back on the path to a happier life. After years of joyous research, Cohen has found the most-effective happiness...
