## Einstein's Riddle: 50 Riddles, Puzzles, and Conundrums to Stretch Your Mind

By Jeremy Stangroom

Bloomsbury Publishing PLC. Hardback. Book Condition: new. BRAND NEW, Einstein's Riddle: 50 Riddles, Puzzles, and Conundrums to Stretch Your Mind, Jeremy Stangroom, Riddles, paradoxes, and conundrums have been confusing and confounding people since at least the time of the Ancient Greeks. The eponymous riddle, according to legend, was devised by Albert Einstein as a child. He claimed that only about 2% of the population would be able to work out the correct answer. There are no tricks and there is only one answer. It requires the cool application of logic to solve. And a lot of patience. Einstein's Riddle features fifty of the toughest logic problems, lateral thinking puzzles, and tests of mental agility. By turns entertaining and infuriating, the puzzles challenge our preconceptions, tell us about how we reason, and provide a rigorous intellectual workout.
