Brand New Book ***** Print on Demand *****.FOREWORD THE tragic fate of Russia has attracted the attention of civilized mankind. Much has been said and written about the amazing degradation of the political, social economic life of a country which hitherto was justly considered the biggest reservoir of wealth and economic potentiality. In our day the fact can scarcely be denied that Russia s present suffering was caused by and is the direct result of the incompetent and sinister Communist practice wrought upon her people by a small but unscrupulous and closely organized group of professional agitators or incurable theoreticians belonging to the Marxian school. Idle are the attempts to explain the systematic destruction of Russian economics by the much debated Allied blockade, or the drought and other meteorological fluctuations, no matter how unfavorable such may have been. At present the most stubborn Socialist adherents are somewhat ashamed to attribute all the blame for the prevailing conditions in Russia to the events and circumstances which have had but an insignificant and rather remote bearing upon the destinies of her people. During a period of five years the Bolsheviki have been given the chance to work out a practical program for putting their theories into effect. Nor was there lack of effort on their part to Use the weapons of hell to attain the Communist paradise. Hell they have attained, while paradise is still to be found in the column of articles lost. In the case of Russia, the world is witnessing the most complete failure of a governmental system that has ever been recorded in history. Every department of present Russian life distinctly proves the hopelessness of further attempts to erect a stable economic edifice...
