The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Lulu.com, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.I used to think I was a pretty normal teenager: I got up in the morning, went to school, did my homework, played videogames, and dreamed about Karen-one of the girls in my class. When I found out she liked me, too, I thought I was the luckiest guy alive. But everything changed when we kissed. Something awakened inside of us, and now we know that we re not normal teenagers after all. For a while I thought these powers were pretty amazing-I mean, who wouldn t want superpowers? But it stopped being fun when Karen started hearing a voice in her head. A voice that told her I was her enemy. A voice that could take control of her. A voice that was only the first glimpse of a world we never knew existed.
