Sir Alan Hume-Frazer lay dead thirty feet from the door of his own country manor, murdered on the night of his New Year's Ball with a curious little knife from his own collection. Accused of the murder, his cousin, David Hume-Frazer, stood trial and was acquitted by the jury on the strength of doubt about the circumstantial evidence against him. But doubt now casts a shadow over David's good name, his reputation stained by doubt about his innocence and doubt about what really happened that night. Desperate to clear his name and find the truth about the murder, David turns to Reginald Brett, the barrister detective, to...
