

Gather Your Tribe

By Kathy L Mosby

Green Ivy, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.I would consider my life fairly normal and routine until 2014. It s as though three bombs dropped in the center of my life starting in January. On January 9th, my sweet Mom passed away suddenly from a brain aneurism. On February 8th, my neighbor s dead tree fell on my house during a storm. On March 11th, I was diagnosed with lymphoma. The journey that followed is documented in my manuscript titled Gather Your Tribe. When I was first diagnosed, one of my doctors said, Kathy, I know you re used to being the Mom and taking care of everything, but now it s time to gather your tribe and accept the help. So, gather my tribe is precisely what I did! I emailed my tribe regularly throughout my journey. My first email was a heavy one. I told them about my very deep, horrible fear of chemo. I asked them for their honest opinion about what they believe they would do in my situation. They made me realize that I, at least, needed to try...
