Your warm lips tremble with love s soft voice, Your heart throbs from what I ve conquered and with what you have yet to give. All I possess lies glittering, waiting you, A poverty-stricken heap of baubles - But what you have given me turns the winter of my heart to spring And stirs the old embers to new flames. I am unworthy of it all: Of the stars you hold forward in your soft hands, Of the rising sun in your eyes; I can but gather up my feeble things And fling them breathlessly before your feet!
