## UNDERSTANDING THE WILL OF GOD AND OTHER REFLECTONS: A DEVOTIONAL GUIDE

AUTHORHOUSE, United States, 2008. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Every time we pray the Lord s Prayer (or the Our Father ) we are asking that God s will be done. Do we realize what we are saying when we ask that God s will be done? Is there any connection between the prayer that God s will be done and Jesus statement that we are responsible to do God s will? Most people, upon hearing the phrase will of God, react in one of three ways: with fear, confusion or resignation. Are our lives predetermined for us ahead of time? Is God s plan something like a blueprint, a road-map, or more like a work of art or an act of love? Does God decide for us or leave us to make our own decisions? Is there a reason for everything? How can God be a loving God if he is responsible for the evil in the world? Does God want us to be rich? Do miracles still happen? Can prayer alter God s will? Is it God s will when a student returns to the campus with a gun to kill his fellow-students? These are only a few of the questions raised and discussed in depth in this devotional guide to understanding the will of God. Other philosophical reflections in capsule form cover a wide diversity of topics in Part Two of the book, ranging from war and peace to servant leadership to what it really means to be great. Written from a Christian point of view, the book may be used as a tool for private reflection or to help with group discussions such as a community book club.
