

MasteringCHEMISTRY Personal Student Registration Record

Student Name: _____ School Post Code: _____
 Course ID (if applicable): _____ Student ID (Optional): _____

To begin using MasteringChemistry, follow the basic instructions below to register and log in. For the latest instructions, visit www.masteringchemistry.com/support or the online help. You can log in to your teacher's MasteringChemistry online course (if available) until it expires, or log in for self-study activities (if available for your textbook) for one year.

Register for MasteringChemistry (one time only)

- Go to www.masteringchemistry.com and click **New Students** beneath Register.
- When asked to verify your details, enter the **student access code** provided below. Don't type the letters & numbers above code as indicated previously, for a single student registration.

NOT FOR RESALE: You are granted a one-year teacher access to MasteringChemistry for another student by changing the name on your student account or in any other way. By using the access code provided above to register, you agree that you are not reselling, and cannot be resold, this course agreement, which also includes the possibility of receiving an registration device.

- Follow the on-screen instructions to enter some basic information, including a valid email address and your school post code. **When asked to provide your school name:** Choose **Other** from the bottom of the list if you don't see your school listed. You will see the sign name and password you create in this process to log in to MasteringChemistry. Record your login name and password (do not share your login name and password with any other student).
- When you complete the registration process, click **Log In Here** to go to www.masteringchemistry.com.

Log in to MasteringChemistry

- From www.masteringchemistry.com, enter your **login name** and **password** and click **Log In**.
- Next step varies, depending on whether or not you have been given a Course ID.

If you received a Course ID from your teacher, use it to log in to a MasteringChemistry online course	If you don't have a Course ID, go to the self-study area of MasteringChemistry (not available for all textbooks)
Click on Course ID on the top right of the page and enter your Course ID in the box provided. You will be taken to the self-study area of the course.	Click on Self-Study Area on the top right of the page. You will be taken to the self-study area of the course.
Self-Study Area is available for your textbook. Click Self-Study Area on the top right of the page.	Self-Study Area is available for your textbook. Click Self-Study Area on the top right of the page.

Important: Check that your computer can run MasteringChemistry. For a list of system requirements and our System Requirements, in particular, make sure that you have the latest version of the Adobe Flash Player installed.

For more information or technical support: Click [Help](#) after logging in to MasteringChemistry. Our technical support can be reached at help@masteringchemistry.com.
