

The 2013 Astrotheology Calendar

By Acharya S

Astrotheology Press. Paperback. Book Condition: New. Paperback. 34 pages. Dimensions: 10.8in. x 8.3in. x 0.2in. The 2013 Astrotheology Calendar serves as a basic introduction into the world of archaeoastronomy, solar mythology and astrotheology. As has been the case with our past Astrotheology Calendars, in addition to showing lunar phases and astrological signs, this years calendar highlights the solstices, equinoxes and fire festivals with a different color for each of the eight relevant days. Also as in the past, in our quest to inspire an interest in astrotheology, mythology and archaeoastronomy, we have provided fascinating information about the astronomical alignments and astrotheological meanings of various archaeological sites, ancient artifacts and myths from around the world. This years calendar features the Milky Way, the celestial landmark that is the subject of many fascinating myths from antiquity. These stories involving the earthly view of our galaxy reflect intelligent observations of our natural world over a period of thousands of years, amid various cultures globally. On the cover, we feature an image of the Egyptian goddess Nut, representing both the night and the Milky Way, her body arched protectively across the sky. The ancients depicted the suns daily journey as entering her mouth, travel along...
