Naturally, this amused the gardener very much, and for those people who are not into the secret of how the plants got into the bottle, this feat can only be on par with how did a model ship get into the bottle! A garden in a bottle has about the same sort of fascination and requires almost that same amount offered dexterity and ingenuity to construct as a ship in the bottle. It is also going to need a lot of patience, because after all, you are gardening in limited space. But once your water garden is established, it can be left for months without attention. In many cases, depending on your plans, it may also not need watering. So for all those people who have been really fascinated with this conversation piece, when you see people surrounding a glass bottle...
