Azuka zuke Obi. Paperback. Book Condition: New. Paperback. 162 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. The Power to Excel, is a self-help book that teaches readers how to make positive changes to their lives. In this book readers will find good and positive energy, strength and inspiration and will learn how to use innate resources to achieve success. A self-help guide that aims to put the power of change in readers hands or a motivational guide to improving ones life through changing ones mind-set. - Kirkus Reviews. The book guides readers through common themes, including snippets on the laws of attraction, the power of positivity, visualization, fitness, diet, sleep, charity, faith, friendship and service. -ForeWord ReviewsClarion Review In this book the author cites how he changed his life and turned his fortune around and tells readers there is no special formula for success. There is no advanced university degree. Success is only a function of dedication, struggles, hard work, learning, falling, rising, persistency, and consistency. Obis message is clear and inspiring, and its obvious that he deeply believes in his advice. His anecdotes are quick, and focused, and the book, as a whole is immensely readable. Like a long and somewhat drawn out conversation with a friend, Obi passes along his secrets of success gained while traveling the world and experiencing different cultures and values. -ForeWord Reviews. If only everyone would follow your advise on how to reach for their best, they will truly excel. You reinforce the need to accept change and its positive force, teach how negative forces are detrimental to change and I love The Power Corners. Please continue to inspire. -BRENDA BLACKMON, Multi-Emmy Award Winning JournalistTV-Personality. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN.
